Summer 2

Dear Parents/Carers,

With just a few weeks left as we head towards the end of this academic year we have a lot going on as usual. Our focus has again remained on ensuring the delivery of high quality, varied and engaging curriculum experiences for our children, to enhance and enrich their learning.

We are extremely pleased that so many children participate in the range of activities we offer—the 'Coding Club' for example has been a popular addition and we are now offering this once more to children in upper KS2.

The House Teams this year have undertaken a lot of fundraising for charities and we are so proud of how the captains and vice-captains have taken on their responsibilities. The events have been supported so well by yourselves and we really appreciate this.

The children will continue to be taking part in lots of activities/events so we will keep you informed of what is happening—please see below and also check our website.

Attendance and punctuality are aspects that we continually strive to improve and cannot stress enough how important they are. Please ensure your child's attendance is not affected by unnecessary time off school in these last few weeks and arrival at school is prompt, so that they do not miss out on crucial learning time.

Thank you for your continued support as always.

Mrs N. Matharu

End of Year Reports

These will be available for you on Monday
15th July

If you require a follow up conversation with
your child's class teacher then staff will be
available on Tuesday 16th July until 4.15pm

Science Explorer Dome on Tuesday 4 June and
Wednesday 5 June

Giles Trigg the Author to work with children in
Rec ,Y1 and Y2 on Friday 7 June

Tempest Photography will be in for our End of
Year class photos on Monday 17 June

30 Day Attendance Challenge

Thank you to everyone that completed the 30 day attendance challenge. A great effort and encouragement has engaged children every day. Certificates have been awarded to all children that have improved their attendance!

We have made a great start to improving attendance and punctuality across the federation which we will continue through to the end of year. All the children have been enthusiastic when stickers are given out to individuals and class rewards weekly.

Please continue encouraging your children to attend school regularly, on time.

At the end of the summer term all the children's names with a golden ticket will be placed into a prize draw to win one of the prizes

If your child's attendance has improved and is above 90% they will receive one golden ticket

If your child's attendance has improved and is above 95% they will receive two golden tickets

Working together to achieve excellence

Sports Day

All children will have the opportunity to take part in a range of competitive activities with their phases.
