

King's Hill Primary – Behaviour Principles Statement

It is a primary aim of King's Hill Primary that every member of the school feels valued and respected and that each person is treated fairly and equal. We are a caring school whose values are built on mutual trust and respect for all.

Our behaviour policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. Our system is firm, fair and consistent with high expectations of behaviour and conduct. We believe that every member of the school has the right to learn and teach. Staff will actively challenge poor behaviour and attendance, discrimination and bullying at every opportunity.

The school expects every member of the school to behave in a considerate way towards others. We treat all children, parents and staff fairly and apply this behaviour policy in a consistent way. We strive for our children to be courteous, well-mannered and to be equipped with the tools to achieve their full potential.

We believe in developing an ethos of kindness and co-operation within our school. Our aim is to help children to grow in a safe and secure environment and to become positive, responsible and increasingly independent members of our school.
