

King's Hill Primary School

Equality Policy

2022

At King's Hill Primary School our equality policy reflects the legal duties set out in the Equality Act 2010 and non-statutory guidance set out by the government in December 2011 and March 2012. It includes the school's aims to promote equality of opportunity and the legal duties with which we must comply.

Aims and Values

King's Hill Primary School is a welcoming school where everyone is valued highly and where tolerance, honesty, co-operation and mutual respect for others are fostered. We are committed to the development of the whole child within a supportive, secure and creative environment. A broad, balanced and appropriate curriculum provides equal opportunity for all pupils to maximise their potential regardless of age, sex, race, colour, religion or disability. We endeavour to promote positive relationships with parents, governors and members of the wider community.

This Means:

- We will take reasonable and necessary steps to meet the needs of pupils by using a variety of approaches and planning reasonable adjustments for disabled pupils, enabling our pupils to take as full a part as possible in all the activities of the school. We will make reasonable adjustments to ensure the school environment and its activities are as accessible and welcoming as possible for pupils, staff and visitors of the school. We are also committed to ensuring staff with a disability have equality of opportunity.
- We will actively encourage positive attitudes towards pupils and staff and expect everyone to treat others with respect.
- We will regularly consider the ways in which the curriculum will help to promote awareness of the rights of individuals and develop the skills of participation and responsible action.
- We will regularly consider the ways in which our teaching and the curriculum provision will support high standards of attainment, promote common values, and help pupils understand and value the diversity that surrounds them, and challenge prejudice and stereotyping.
- We will monitor the progress and achievement of all pupils. This information will help the school ensure that individual pupils are achieving their potential, the school is being inclusive in practice, and trends are identified which inform the setting of our equality objectives in the school improvement plan.
- Staff will ensure the curriculum is accessible to all pupils with special educational needs and disabilities (SEND) or those for whom English is not their first language. Staff will ensure that all pupils are able to take part in extra-curricular activities and residential visits, and the school will monitor the uptake of these visits to ensure no one is disadvantaged.
- We expect that all staff will be role-models for equal opportunities, deal with bullying and discriminatory incidents and be able to identify and challenge prejudice and stereotyping.

Throughout the year, the school will hold events to raise awareness of equality and diversity. This may include a focus on respect for other cultures, religions and beliefs, and developing an understanding of the effects of discrimination.

To achieve these aims we will:

- Involve stakeholders in the development, review, evaluation, and impact assessment of all relevant improvement plans, policies and procedures;
- Publish and share our policies and impact assessments with the whole community;
- Collect and analyse data to ensure all groups are progressing well and no group is subject to disadvantage.
- Use all available information to set suitable learning challenges for all, respond to pupils' diverse needs and overcome any potential barriers to learning;
- Ensure that the wider school curriculum makes explicit and implicit provision to promote and celebrate diversity;
- Have high expectations of behaviour which demonstrates respect to others.
