We are excited to welcome all of the children into Nursery after a lovely summer break. Welcome back to our current Nursery children and a big hello and warm welcome to our new Nursery children joining us this September.

In Maths we will be exploring numbers to 5, touch counting, and using 2D and 3D shape.

If you have any questions you can message your child's Nursery teacher via class Dojo, if you need a login for this please ask a member of staff.

Important Days of the Week...

Wednesdays—Each week Nursery will participate in *Welly Wednesday*, this takes place every Wednesday where children will access the school forest area and explore different outdoor learning opportunities and activities.

Please make sure your child comes into school wearing some old clothes each Wednesday as they may get muddy/dirty in the forest area. Children can wear their welly's to Nursery on these days or bring welly's into school in a carrier bag to be put on their coat peg.

Friday- Homework will be given out each Friday to be returned by the following *Wednesday* please.

Reminders...

As the weather is getting colder, please ensure your child comes into school in an appropriate coat, Nursery will be accessing outdoor play in all weathers—even rain. Please clearly label your child's coat and water bottles.
